How many lives have been impacted over the last quarter?

The membership for Scouting in the Many Trails District is 326 on August 15, 2022. As a part of that membership, 27 Scouts from Project Success and Boy and Girls Club attended our summer camp at Camp Robert Drake. In addition, 416 Scouts from throughout Illinois and Indiana participated in resident camp programs.

Please break down demographics of lives impacted. If not available, how are you going to work towards gathering this information?

The percentage of membership in the Many Trails District Includes 74% white, 18% African American, 6% Latino, and 2% other nationalities

Are you on track to hit your output goals as listed above? If not, what is preventing you from reaching those output goals?

The membership goal for the teen programs is running below expectations, whereas the new programs are on target. Two new Cub Scout packs have started in the district. The membership goal is on pace to reach the goal by the end of the year. A sharper focus for the teen program will need to be addressed to recruit additional older members.

Please provide one (or more) inspiring story over the last quarter. This could be about your organization or a special impact story. Please include any pictures/graphics you feel necessary with your report.

The Scouts BSA camp has been able to return to normal operations since the COVID-19 problems. The summer staff of 35 employees provides an exciting outdoor educational programs in skills of wilderness living and leadership development. The Boy Scouts of America stresses personal safety.
