Agency Outputs: (As detailed on 2021-2022 Application)

VCCAC had a goal of purchasing 200 bus passes to help 100 families and ten \$10 gas cards with transportation assistance. We also budgeted \$200 for temporary lodging to help 2 families who are displaced because of abuse.

How many lives have been impacted over the last quarter?

There were no funds used during the 3rd quarter.

Please break down demographics of lives impacted. If not available, how are you going to work towards gathering this information?

Are you on track to hit your output goals as listed above? If not, what is preventing you from reaching those output goals?

We met and exceeded our goals.

Please provide one (or more) inspiring story over the last quarter. This could be about your organization or a special impact story. Please include any pictures/graphics you feel necessary with your report.

One thing that inspires and makes us appreciate the work we do is when the children come to visit and they want to stay and play. They tell their parents that they love it here. They either don't want to leave or make plans to come back and see us. We are doing great things and making the center welcoming and comfortable for the kids.

Please use this sheet as your cover letter for any supporting documents.
